

## **CAMP RULES**

As a church we desire for this camp to be a fun, spirit led week with great fellowship, encouraging messages, wonderful worship, and great times throughout. But in order for us to be alongside one another we do ask for cooperation on a number of camp rules.

Some of these rules are to do with the site and have been implemented by Hampshire Christian trust who have kindly allowed us this space for the week. Some rules are also implemented by our camp planning committee in order to ensure we are all able to enjoy the week without disruptions or difficulties.

Please read through the rules before signing the booking form so that we know you have agreed to what is written below.

- 
- 1. ALL noise is to be kept to a minimum past 11PM at night.** Music / shouting / loud conversations or any loud noise which may keep others awake is to **STOP NO LATER THAN 11PM.**
  - 2. ALL children are to be cared for and are the responsibility of their parents / carers UNLESS** they are engaging in a youth, Sunday school or creche activity, in which case they will be cared for by a member of our team. However outside of those specific hours they are the responsibility of the parents / carers.
  - 3. ALL rubbish / cleaning is the responsibility of the individual parties attending.** Please make sure you clean up after yourself in all areas of the camp and in and around the camping areas which you are staying in. There are big industrial bins we can direct you to but please ensure you tidy up after yourself wherever you go. This includes toilets and kitchens after having used them.
  - 4. NO CHILDREN IN THE KITCHEN AREAS** – The kitchen area in the camp has various safety hazards for children and so we ask all parents and families to ensure that NO children are allowed access to the kitchen area **AT ANY TIME.** This does include the youth **UNLESS** specifically given permission by a camp leader.
  - 5. NO SMOKING / NO SWEARING / NO ABUSE OF ALCOHOLIC SUBSTANCES.** We do NOT permit smoking on site nor swearing due to the nature of the camp, we are representing JESUS CHRIST as a family, and we should do so to the best of our ability and therefore these things will not be tolerated. Alcohol is allowed on site **BUT NOT DRUNKENESS.** If you are to drink, please do responsibly. Any abusive or aggressive behaviour toward anyone on site whatsoever will be met with an instant removal from the site and a lifetime ban from any future DC camps.
  - 6. Cars are to be kept in the car park and are NOT allowed to be parked on the grass.** This includes caravan users, tents, and people in motor homes. Cars are to be parked either in the car park or in the overflow car park to the side of the camp.
  - 7. ALL DOGS TO BE KEPT ON LEAD WHILE ON SITE AND NOT ALLOWED IN BARN 1 OR BARN 2!** While we do permit dogs to come along Hampshire Christian trust has asked that if we are able to avoid bringing pets for us to please do so. Dogs should only come IF there is no other place they are able to stay during the camp. There are many open fields around the site which dogs can be let off but not while with the site perimeter.
  - 8. NO CHILDREN near the campfire unsupervised** – all children ages 16 and under are not to be unsupervised while around the camp fire – we ask please for parents / carers to always be present if attending the fire pit. The safety of the children around the fire pit IS THE RESPONSIBILITY OF THEIR PARENTS / CARERS!

**Please make sure you are in agreement to the above rules before registering for our camp**
